

ACCA along with Graduation

Introduction

ACCA is an international accounting body with over 2 lakh members worldwide and 5 lakh students spread across over 170+ countries. For over a century, it has been helping students to make a rewarding and global career around the world. Due to its formal approval by over 170 countries, its certified members have a global accreditation.

Based on IFRS standards it is the most advanced, detailed, and used accounting standards in the world with over 150 countries mandating its use for their financial reporting. With an average timeline of just 3 years, one can aim to complete graduation and ACCA simultaneously, therefore having 2 degrees incl. a global one by the age of 21!

Sounds exciting, isn't it? We at VGLD provide students with all the required information for informed decisions so that your journey to a global citizen can be fruitful, hassle-free, and rewarding.

Getting started with ACCA Course

To kickstart your journey at ACCA, all one needs is to be 18+ years of age and must have cleared class XIIth examinations with a minimum aggregate of 65% in Mathematics/Accounts & English and a minimum of 50% in other subjects.

Importantly, students pursuing Science, Humanities, and Commerce can also join the ACCA Qualification at VG Learning in their 10 +1 and 10+2 can still join this course and thereby make a rewarding career in the world of finance. Being an advanced, modern accountancy body, its entire course is designed to give equal opportunities to everyone irrespective of their past qualifications and/or work experience.

Overview of ACCA course

Below is a quick snapshot of the ACCA course, its curriculum, and exam dates.

Levels & subjects - ACCA course is divided into three levels testing you in the below specialized subjects

Applied Knowledge Level	Applied Skills Level	Professional Level
Accountant in Business	Corporate & Business Law	Strategic Business Leader
Management in Accounting	Performance Management	Strategic Business Reporting
Financial Accounting	Taxation	Advanced Financial Management
	Financial Reporting	Advanced Taxation
	Audit and Assurance	Advanced Performance Management
	Financial Management	Advanced Audit and Assurance

Any two

Exam format - ACCA exams are conducted on the Computer-Based Method (CBE) wherein only MCQ (Multiple Choice Questions) and Scenario-based questions are used to test student skills.

Frequency – Exams are conducted four times each calendar year thus allowing students the freedom to prepare and appear for exams according to their schedules and time needs. The first 4 papers are

ON DEMAN exams meaning student can appear for them whenever the student is ready without waiting for a fixed date sheet.

At your pace – Students are free to appear for any paper within each level as per their choice.

Course Timeline - To attain ACCA membership with all facilities, a student must

- Successfully pass in all three levels – Applied Knowledge, Applied Skills, and Professional
- Complete 20 hours of Ethics and Professional Skills Module
- Complete 3 years of practical work experience in a relevant role
